

Sina Ghadri

Front-End Engineer - Web3 Developer

Visit My Portfolio

About me

My name is Sina Ghadri. I'm a Front End Engineer 🌞. I describe myself as a passionate developer who loves **coding**, **blockchain**, and the **web platform** ❤️.

Aside from my job, I like to create and **contribute** to **open-source** projects. That helps me to learn a ton of new stuff, grow as a developer, and support other open-source projects.

In my free time, you can find me , at the mountain and nature 🏔️, at the cinema 🎬, playing handpan 🎵 or on tech **meetups** and **conferences** 🗺️
